Press Release

Fann À Porter, in collaboration with Ayyam Gallery, is pleased to present Ahmad Kasha's complete War Series (2018–2025) for the first time. This body of work is a meditation on the condition of humanity in the shadow of war, rendered by Kasha through arresting color palettes and large-scale paintings which convey both fragility and overwhelming violence. Influenced by various traditions of war art, the War Series reflects on the psychological toll of violence on people, animals, nature, and in the essence of art across time.
