Alserkal Arts Week

Alserkal Avenue is Dubai's creative heart, home to the galleries and cultural spaces that shape the city's contemporary art scene. This year's Alserkal Arts Week takes “Smouldering” as its theme, looking at memory, resilience, and resistance through art. Highlights include an exhibition dedicated to pioneering women of Arab modernism, alongside a tribute to Palestinian artist Sliman Mansour. Across the week, expect major exhibitions, new gallery shows, talks with international cultural figures, and moving-image installations. It's one of the best times of year to experience Alserkal Avenue at its liveliest.
